Professional Summary

Motivated and detail-oriented Civil Engineering graduate with hands-on training in AutoCAD, Staad Pro, and interior design tools. Experienced in process coordination and vendor management from prior role at ICICI Bank. Passionate about creating functional and aesthetically pleasing interior spaces. Seeking a junior/interior design role where I can apply technical and creative skills to deliver impactful spaces.

Skills

• Design Tools: AutoCAD 2D & 3D, Staad Pro, E-TABS, Primavera

• Core Competencies: Space Planning, 3D Modeling, Project Coordination, Vendor Management

• Other Skills: MS Office, Communication, Analytical Thinking, Adaptability, Team Collaboration

Professional Experience

Process Manager – Mortgage Valuation
ICICI Bank Ltd | Vijayawada, Andhra Pradesh
Duration: 1 year

• Managed end-to-end vendor empanelment and billing for mortgage valuation projects across Andhra Pradesh.

• Ensured accurate invoicing and compliance with internal policies.

• Coordinated with cross-functional teams to improve turnaround time and process efficiency.

• Gained exposure to stakeholder communication and performance tracking.

Education

B. Tech in Civil Engineering
VSM College of Engineering, JNTU Kakinada
2022 | CGPA: 7.9

Intermediate (MPC)
Vikas Junior College, Board of Intermediate Education
2018 | Score: 89%

SSC
GV & KBM English Medium High School
2016 | Score: 90%

Certifications & Projects

• Prefabricated Multi-story Structures – ICRT Mini Project
Gained exposure to seismic engineering principles and modular construction methods.

• Soil Bricks under Accelerated Weathering Conditions
Conducted experimental analysis to evaluate durability and sustainability of soil-based bricks.

Workshops & Trainings

• AutoCAD 2D & 3D – Hands-on workshop

• Staad Pro & Primavera – Technical tool training

Languages

• English

• Telugu

Additional Information

• Open to relocation

• Passionate about design, architecture, and creative problem-solving

Declaration

I hereby declare that the above information is true to the best of my knowledge and belief.
